

VACANCY: Site Services Project Engineer

LOCATION: Northwest England Region

ABOUT US:

Glenfield Invicta Limited is a dedicated member of the AVK Group; market leaders in the supply of valves, fittings and flow control equipment used across a variety of water sector projects, including; clean water, wastewater, dams, reservoirs, hydropower and non-utility infrastructure projects.

A vacancy has arisen for a Project Engineer to join and support the business with driving Continuous Improvement and collaboration.

You will be responsible for ensuring the allocated portfolio of projects are delivered in a timely, effective, and efficient manner, and meet Glenfield Invicta Limited's expectations in line with the expectations of our clients. Working with customers and sub-contract partners you will ensure works are delivered accordingly within the agreed budgets.

ABOUT THE ROLE:

Key responsibilities include, but are not limited to:

- Liaise with suppliers as required and ensure supplier deliverables are managed effectively.
- Ensure all projects are planned, managed, and delivered effectively within agreed budgets.
- Establish and maintain key relationships with customers regarding plans, progress, and issues.
- Establish and maintain contacts with the Sales teams regarding plans, progress, and issues.
- Provide weekly and monthly forecasts of the revenue income for the portfolio/projects.
- Ensure commercial and contractual elements of projects are understood, planned, and delivered.
- Work across Glenfield Invicta Limited to ensure solutions are fit for purpose and appropriate for the customer and Glenfield Invicta Limited.
- Attend site meetings & undertake site inspections when required.
- Day to day Project Team management.
- Manage own and team workload to ensure agreed deadlines are achieved.

ABOUT YOU:

- Previous years' experience in a similar role within engineering.
- Proven experience of dealing with key customers in a professional manner.
- Excellent communication and solution orientated problem-solving ability.
- Demonstrate attention to detail and observation.
- Flexibility to adjust workload priorities to take account of new deadlines.
- Continuous Improvement Mindset.
- Excellent planning and organising skills.

WHAT WE OFFER:

- A culture of shared values, goals, attitudes, and business growth
- Employee Assistance Programme (Welfare and Wellbeing)
- Competitive salary
- 33 days holiday (including statutory Public Holidays)
- Life Assurance plan (x3)

Engineering Site Solutions - Project Engineer
Glenfield Invicta Limited

- Company pension plan
- Discounts and cashback across many high-street and online retailers (Supermarkets, Entertainment, Fashion, Days Out, Technology, Home, and Travel)
- A blend of training to help your career development.

WORKING HOURS:

- 37.5 hours per week
 - Monday – Thursday 0815-1700
 - Friday 0830-1600

We know that our people are the most important asset to the AVK Group, and we are looking for skilled, passionate, and driven professionals to work with our inspirational leaders; to promote our culture, enable change and champion a lean environment.

APPLY NOW - Please send your up-to-date CV to careers@avkuk.co.uk
