

## APPRENTICE SITE TECHNICIAN

**VACANCY:** Apprentice Site Technician

**LOCATION:** Maidstone

### ABOUT US:

Glenfield Invicta provide end-to-end project solutions, from initial survey and design to commissioning and long-term asset management. They are part of the AVK Group, a global leader in high-quality valves and hydrants for water, wastewater, gas, and fire protection. As part of our rapid growth, we are looking for an apprentice site technician.

### ABOUT THE ROLE:

As a Apprentice Site Technician, you'll play a key role in supporting the the installation, maintenance, repair and commissioning of mechanical equipment on customer sites. The role provides practical experience in mechanical engineering within the water industry and supports the development of the skills and competencies required to become a qualified Site Technician.

Key responsibilities include, but are not limited to:

- Assist with the installation of penstocks, valves, actuators, pipework, and mechanical equipment at water and wastewater treatment sites.
- Learn how to read and interpret engineering drawings, specifications, and site plans.
- Support mechanical fitting, alignment, assembly, and testing activities.
- Use hand tools, power tools, and lifting equipment safely and correctly.
- Assist with inspection, maintenance, and repair of mechanical assets.
- Participate in site preparation, equipment setup, and commissioning activities.
- Follow company health, safety, environmental, and quality procedures at all times.
- Maintain accurate records of work completed and materials used.
- Work effectively as part of a site team and communicate professionally with colleagues and clients.

### REQUIREMENTS

GCSE in:

English (grade C or 4)

Maths (grade C or 4)

Share if you have other relevant qualifications and industry experience. The apprenticeship can be adjusted to reflect what you already know.

**SKILLS:**

- Communication skills
- Attention to detail
- Organisation skills
- Customer care skills
- Problem solving skills
- Logical
- Team working
- Initiative
- Physical fitness

**OTHER REQUIREMENTS:**

Working in confined spaces

**WORKING HOURS:**

- 37.5 hours per week

We know that our people make the difference in the AVK Group, and we are looking for skilled, passionate, and driven professionals to work with our inspirational leaders; to promote our culture, enable change and champion a lean environment.
