

PROJECT ENGINEER

Vacancy: Project Engineer

Location: Site Service Delivery

About Us:

Glenfield Invicta provide end-to-end project solutions, from initial survey and design to commissioning and long-term asset management. They are part of the AVK Group, a global leader in high-quality valves and hydrants for water, wastewater, gas, and fire protection. As part of our rapid growth, we are recruiting for a Lead Site Technician covering the Northwest of the UK.

About the Role:

As a Project Engineer, you will be responsible for the effective delivery of their site service projects from receipt of contract through to completion, by ensuring labour resources, materials, plant and sub-contractors are allocated and managed effectively.

Key responsibilities include, but are not limited to:

- Ensure projects are planned, managed, and delivered safely.
- Ensure the commercial and contractual elements of each project are understood – and works are planned and delivered accordingly.
- Ensure all projects are planned, managed, and delivered effectively and efficiently – including ensuring works are delivered within agreed budgets.
- Survey and scope site works providing sufficient information to produce or support the production of quotations for service works.
- Support the production of significant quotations for service and related works.
- Support/assist the Project and Service sales teams in maximising opportunities.
- Continuously share information on project plans and progress to enable accurate revenue realisation, turnover forecasting and labour scheduling.
- Liaise with suppliers as required and ensure supplier deliverables are managed effectively.
- Establish and maintain key relationships with customers – ensuring the customer is kept up to date in a timely manner regarding plans, progress, and any issues.
- Attend site meetings and undertake site inspections when required.

About You:

You are a highly organised and results-driven individual with strong project management and leadership skills. You take pride in delivering projects safely, efficiently, and within budget, while maintaining the highest standards of quality and compliance. With excellent communication and problem-solving abilities, you build strong relationships with clients, suppliers, and colleagues alike.

What We Offer:

- An important role within a successful and growing business, with clear prospects for career progression
- A culture of promoting personal development, with ample opportunity for training and earning qualifications
- Incentive scheme
- Employee Assistance Programme (Welfare and Wellbeing)
- 33 days holiday (including statutory Public Holidays)
- Life Assurance plan (x3)
- Company pension plan
- Discounts and cashback across many high-street and online retailers (Supermarkets, Entertainment, Fashion, Days Out, Technology, Home, and Travel)

WORKING HOURS:

- 38 hours per week

We know that our people make the difference in the AVK Group, and we are looking for skilled, passionate, and driven professionals to work with our inspirational leaders; to promote our culture, enable change and champion a lean environment.
