

PROJECT SUPPORT

Vacancy: Project Support - Site Technician and Entry-Level Support Positions

Location: HMNB Portsmouth

About Us:

Glenfield Invicta provide end-to-end project solutions, from initial survey and design to commissioning and long-term asset management. They are part of the AVK Group, a global leader in high-quality valves and hydrants for water, wastewater, gas, and fire protection throughout the world.

We're now delivering a critical infrastructure upgrade at Portsmouth Naval Base, modernising essential systems to ensure reliability and efficiency for the Royal Navy. This is a unique opportunity to work on a high-profile project that combines cutting-edge engineering with practical, hands-on work. As part of our rapid growth, we are recruiting for Site Technicians and Entry-Level Support Positions to join our HMNB Portsmouth team.

About the Role:

Assistant Site/Site Technicians – Support site operations, act as safety attendants in confined spaces, and assist with installations and equipment checks.

Entry-Level Candidates – Interested in construction, engineering, or water industry work? No prior experience required—just a willingness to learn and a safety-first attitude

Key responsibilities include, but are not limited to:

Depending on your role, you could be:

- Monitoring safety in confined spaces
- Assisting with site setup and installations
- Liaising with suppliers and subcontractors
- Ensuring health and safety standards are met at all times

About You:

You are a motivated and reliable professional with a strong interest in infrastructure, construction, or engineering environments, bringing a safety-first mindset and a high level of attention to detail. You are comfortable working on live sites, supporting installations, carrying out equipment checks, and assisting with site setup while ensuring health and safety standards are strictly maintained. You communicate clearly and work effectively with site teams, suppliers, and subcontractors, contributing positively to collaborative, high-profile projects. You are equally capable of following instructions independently, managing priorities on site, and adapting to hands-on, practical work, with a strong willingness to learn and develop within a major infrastructure upgrade project.

What We Offer:

- An important role within a successful and growing business, with clear prospects for career progression
- A culture of promoting personal development, with ample opportunity for training and earning qualifications
- Incentive scheme
- Employee Assistance Programme (Welfare and Wellbeing)
- 33 days holiday (including statutory Public Holidays)
- Life Assurance plan (x3)
- Company pension plan
- Discounts and cashback across many high-street and online retailers (Supermarkets, Entertainment, Fashion, Days Out, Technology, Home, and Travel)

WORKING HOURS:

- 37.5 hours per week

We know that our people make the difference in the AVK Group, and we are looking for skilled, passionate, and driven professionals to work with our inspirational leaders; to promote our culture, enable change and champion a lean environment.
